

DNREC - WATER SUPPLY SECTION

Important Notice to Water Well Contractors

Public Workshops

The Delaware Department of Natural Resources and Environmental Control's Water Supply Section (WSS) will be holding a fourth and final public workshop regarding proposed revisions to the Regulations Governing the Construction and Use of Wells.

The public workshop will be held on May 27, 2015 at 6:00 pm in the DNREC Auditorium at 89 Kings Highway, Dover, DE 19901. Pre-registration is not required.

Start Action Notice #2009-30 to revise the Regulations Governing the Construction and Use of Wells was signed by former Secretary Collin P. O'Mara on November 20, 2009. The Proposed revisions include but are not limited to content updates to the current 1997 regulations.

Recommendations from previous workshops and from the Regulatory Advisory Committee will be discussed during the workshop and feedback is welcome.

Copies of the draft Regulations are available at:
